

CERTIFICATE OF CLEANLINESS

HEALTH AND SAFETY CLEARANCE FORM

Please copy, fill in, sign this form and attach it to the pump returned for service along with a return material authorization number.

Product Description

Product NumberRMA #Quantity

APPLICATION: The referenced product has been exposed to toxic or hazardous materials:
☐ YES ☐ NO If yes, complete SECTION A. If no, continue to SECTION B.

SECTION A: TOXIC CLEARANCE

(To be completed if applied substances ARE hazardous)

Please specify all hazardous materials/substances used with the referenced product(s).

Provide the Material Safety Data Sheet for all materials referenced or list precautions to be taken when handling these substances. Also, provide any actions to be taken in the event of human contact with any liquid within the product (even after cleaning and/or flushing).

The product returned has been decontaminated, drained of liquid and is safe to handle. Provide decontamination method used.

Initial/Date

SECTION B: NON-TOXIC CLEARANCE

(To be completed if applied substances ARE NOT hazardous)

The product returned has not handled or been in contact with any toxic or hazardous substances. The product has been drained of liquid and is safe to handle.

Initial/Date

I hereby declare that the contents of this consignment are fully and accurately described above by proper shipping name and are classified, packed, marked and labeled, and are in all respects in proper condition for transport, by all modes, according to applicable international and national governmental regulations. Health and safety issues are clearly understood and will be given consideration during shipment. (A repair or inspection of product will only be undertaken when this certificate has been completed and authorized by a qualified member of staff employed by the returning company.)

A return material authorization number from Grundfos, along with a completed and signed copy of this form **must** accompany the returned product. It is the senders responsibility to package, transport and complete the shipping documents regarding the nature of the product shipped. Irrespective of this, Grundfos reserves the right to reject the service order for other reasons. Grundfos will rely on this representation and will look to the customer for reimbursement of any and all costs, claims or damages incurred, including attorney's fees, if any representation is not correct. **Radioactive products will not be accepted for repair.**
